

مؤسسة الرمادي للمعادن والزجاج
AL RAMADI METAL & GLASS EST.

Al Ramadi Metal & Glass Est.

is a professional organization specializing in all Kind of Steel, Aluminium & Glass fabrication and installation work.

"WE NEVER COMPROMISE ON THE QUALITY AND THE SERVICES"

www.alramadiuae.com

About Us

Al Ramadi Metal & Glass Est was established in 2000 under the name of **Al Ramadi Welding and Blacksmith** where it started its activities and services for steel fabrication. In 2022, the company name was changed to **Al Ramadi Metal & Glass Est**.

We are providing our customer high quality product and services for Architectural Metal works, specialized in all kinds of metal fabrication, steel structure products and erection, manufacturing segment engaged in the design manufacturing and processing.

We believe that the most important things are quality, customer service, efficient costing, on-time delivery and warranty. Therefore, we make sure the following are strictly enforced. We have the strength, expertise and ability to successfully complete the projects entrusted to us. We believe there is a story in every project we build. No matter what our client's project challenges, big or small infrastructure there is, we deliver the right people, the smartest, the experts and dedicated to do the job well according to our client's expectations.

Mission & Vision

Mission

To provide high quality & cost effective products / services, while maintaining safe work environment and establishing a successful relationship with our customers and our suppliers. To stay ahead of the competition by improving products and services based on our customers need.

Vision

Integrity, Quality, and Value your aggressive partner for success! This is our slogan and the commitment we make to our customers. We strongly believe in fabricating winning partnerships and working to assure the success of our customers. This has been our goal since we began business in 2000.

Quality, Health & Safety Policy

AL RAMADI METAL & GLASS EST, is committed towards Continual Improvement of Quality, Occupational Health & Safety and Environmental Management System for our services.

This is achieved through:

- ✚ Commitment to continual improvement of our organization and to comply with applicable quality, safety and environmental legislation and with other requirements to improve the effectiveness of the Integrated Management System.
- ✚ Develop and maintain long-term partnership with suppliers based on product quality, mutual respect and benefits. Our suppliers are our partners and we encourage them to join us on our journey of Quality
- ✚ Delivering quality and timely services at all times to satisfy the needs of our customers, thereby ensuring customer satisfaction.
- ✚ To reduce environmental aspects & impacts within and outside the organization.
- ✚ To prevent ill, Health & Incidents and other hazards within and outside the organization.
- ✚ All employees are responsible for implementing and maintaining the above in our organization for delivering projects against the requirements in a safe manner and with commitment to the Environment protection.
